Who Must File:

All incumbent local exchange carriers and local exchange carriers certificated within the state of Illinois must complete the Cover Page, the Customer Contact Information Page, and Charts 1-4. Facilities based providers of broadband services within Illinois are to complete the Cover Page and Chart 5 regardless of local exchange certification status. Incumbent local exchange carriers must complete Chart 6. Carriers that are certified to provide service, but that do not currently offer either local exchange service or facilities based broadband service within the state of Illinois may simply respond with a letter to that effect. Incumbent local exchange carriers and their affiliates should submit separate forms for incumbent and non-incumbent operations.

When to File:

Reporting carriers must submit data for December 31st, 2002 on or before March 1st, 2003.

Where to File:

Send 3.5" diskettes or CDs in IBM format to: James Zolnierrek, Telecommunications Division, Illinois Commerce Commission, 527 East Capital Avenue, Springfield, IL 62701 or e-mail to jzolnier@icc.state.il.us.

Reminders:

Do not insert or delete columns or rows, move cells, or edit text or cells outside the cells provided for data entries. Files that cannot be opened in Excel 2000 or whose structures have been altered will be returned for refiling. If you cannot adhere to these standards, please call ICC staff for assistance.

Naming convention for your files:

*Concatenate the Month, Year, Company Name, and .XLS
(Example: 1202TELCOINC.XLS)*

Confidentiality:

The collection of this information stems from the Commission's authority under Section 13-407 of the Illinois Public Utilities Act. While some information from this form will be made publicly available, these filings will be given confidential treatment. This means that when reporting both local telephone and broadband provisioning information, the Commission will aggregate data to maintain the confidentiality of individual company subscribership numbers. (The Worksheet entitled "Confidentiality" provides more detailed information as to the treatment to be accorded the data that carriers file.)
